Pots .....	54
Roses .....	48-50
Shade Trees .....	1-40
Shrubs .....	1-40
Tubs .....	54
Vines .....	1-40

## PLEASE NOTE

For many years we have wanted to print a complete retail list of all the varieties we carry and grow. This list is the result. While this list does not quote net prices, nurseries will find it of value in locating hard to get items and in making up lists of material they wish to stock. Landscape Architects will find it particularly valuable in preparing their planting lists and estimates.

We would like to call your attention, especially, to the specimen stock we grow at our ranches, broad-leaved evergreen shrubs as well as deciduous and flowering trees. You will find a wide variety of colorful perennials listed also.

Delivery without charge will be made to most points within 30 miles of the nursery. Delivery of more distant orders may be arranged.

We are a Pink Tag nursery and guarantee our plants to pass inspection anywhere.

We exercise great care to see that plants are labelled true to name. We will, at our option, replace any that are found to be mislabelled or refund the original purchase price. We will under no circumstances assume liability for an amount greater than the purchase price.

**PRICES SUBJECT TO CHANGE WITHOUT NOTICE.**

# SHRUBS - TREES - VINES

## ABELIA floribunda

1 gal. ..... .90

## Abelia grandiflora

1 gal. ..... .75
